# **Sree Siddhartha**

PROJECT MANAGER &CLIENT SPECIALIST WITH 8000+ HOURS OF EXPERIENCE

I am a Results-focused Workaholic Front-End Developer, Team Lead, and Client specialist with Seven plus years of Experience. Successful at understanding what the client needs and delivering the perfect solution for the challenges they face.

#### **RELATED EXPERIENCE**

## **Product Owner**

Freelancing (Apr 2020 - Till Date)

 Acting as a developer and Scrum Product Owner for a team of 17 developers and designers and delivered multiple websites on different frameworks.

## Front End Developer and Project Lead

Trixon Tech Solutions, Remote/Cloud Team (Aug 2015- Feb 2020)

- Led a remote team of 6 talented designers and SEO analysts to provide the best solutions for the clients we work for.
- Handled a total of 218 Projects for clients across 36 different countries.
- Wear multiple hats based on project demands and be a part of all the departments available from marketing to tech support.

## Lead Project Manager,

Flume Designs (Apr 2012-Aug 2015)

- Operated under Agile frameworks to efficiently organize and carry out project tasks.
- Adjusted project plans to account for dynamic targets, staffing changes, and operational specifications.
- Organized reporting systems to keep customers and management in the loop with the latest information.
- Provided data-driven recommendations aligned with overall company strategies and increased rate of client acquisition by 30%.

# Freelance Developer (Remote)

Oct 2011 - Apr2012

- Developed a total of 56 website projects alone which involves making basic logos to mid-tier E-Commerce websites. While maintaining a 5-Star rating on the profile.
- I have worked for clients from 8 different countries which trained my career to be versatile to work for all time zones.
